the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–2000) and is projected to increase by a further 1.5 million by 2020 (Office for National Statistics 2001). The number of people aged 65 and over is projected to increase from 10.5 million in 2000 to 12.5 million in 2020.

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has published a strategy for ageing, which sets out the government's commitment to improve the health and well-being of older people. The strategy is based on three main principles: (1) to improve the health and well-being of older people; (2) to ensure that older people are able to live independently; and (3) to ensure that older people are able to participate in society.

Unique Situations for Ingot Homecomings

Both homecomings were unique this year. Homecoming queen Kim Rheinholtz had a dual role to play during the football festivities. She had to give up her role as drum major in order to be present during the halftime activities.

The basketball homecoming, however, dealt with when (or if, as it seemed) it would ever be played. Although it's not too unusual for a game to be called on account of snow, this year's game may have set its own record. The basketball homecoming was postponed three times because of bad weather, and when it was finally held, we ended up playing a different team than was originally scheduled.

Top left: The football homecoming court consisted of freshmen Janice Zaladz and David Verduzco, seniors Kim Elliott, Bob Morton, Kim Rheinholtz, and Rusty Brown, juniors Sherry Halcomb and Tom Ordway, and sophomores Michaelene Burton and Bobby Dalley. Above left: The basketball homecoming court consisted of seniors Dixie Darnell, Donnie Sims, Kim Elliott, Randy Kemp, Donna Stone, Ron Mantona, Sharon Crandall, Robert Soderquist, Jamie Hill, and Rusty Brown. Center: Dannie Sims talks with Dixie Darnell after she is announced Miss Ingot Spirit. Bottom right: Kim Rheinholtz stands with her escort Rusty Brown. Far right: Tracie Manning cheers for the team.

In the Spotlight

Kim Reinholtz was crowned football's homecoming queen. She has been drum major of the marching band since her junior year. She directed the homecoming pre-game show. She's been a band member throughout her high school career.

Dave Kirkbride was voted Mr. Football by his fellow teammates. He made the second team of the All-Area All-Stars as tailback and was third leading scorer in the area. He's been a three-year varsity veteran.

Dixie Darnell was awarded the title of Miss Ingot Spirit. She has been a member of the auxiliary corp/majorette squad since her eighth grade year and has been rifle captain since her junior year. She was a four-year pep club member.

Gary Mathews was chosen Mr. Basketball. He lettered three years and was leading scorer and rebounder on the team. At the Valparaiso sectionals, he made the all-sectional team. He was co-captain of the varsity team.

Wassail Accented by Returning Alumni

New and old faces alike were present at this year's Wassail, an annual medieval dinner presented by the River Forest choir. For his eleventh Wassail, Mr. Brown invited members of past choirs to perform. Appearing alumni included Barb (Mutters) Meade, Ann Boltrushaltis, Jerry Carroll, Steve Rosenbaum, and Beth Davis. The entree consisted of bar-b-que'd country ribs, baked potato, sour cream and chives, buttered mixed vegetables with mushrooms, and hot bread and butter. Dessert included English plum pudding, rum cake, chocolate-lovers chiffon, cream-chocolate torte, assorted cookies,

and cream-de-menthe cake. Antoinette Cesare was cast as this year's Santa Lucia.

Double Couples Join in Mock Wedding

Was this the wedding of its time? Perhaps it would be more accurately described as a 'mock wedding of rhyme.'

Two couples, junior Sherry Halcomb, senior Gary Mathews and junior Connie Ramos, senior Donnie Sims were joined together in the make-believe wedding ceremony held in the round at 6:30 p.m. on December 10, 1981. Sponsored by the River Forest Family Living Classes, the ceremony was presented as a real wedding down to the last detail, from the beginning procession to the reception.

At the start of the ceremony there was an air of silence as the audience waited for the procession to

begin. Both of the bride's fathers were there to escort their daughters up the aisle.

Ending with the traditional kiss, the couples, now 'married', left the room to celebrate with their friends and family at the reception.

"Connie and Donnie reminded me of a bickering husband and wife," said Mrs. Pat Wilson, teacher of both family living classes, while "Sherry and Gary were the typical picture of people in love."

Valentine's Day is Theme for Turnabout

Hearts and cupids adorned the Ingot Room as couples attended the 1982 Valentine's Day Turnabout held on February 13. The Hammand Brothers Band provided music. Assorted cookies, candy, and punch were served as refreshments.

For top left: John Hankins glances coyly at Cathy Evans. Far bottom left: Kim Mayes and Ran Gilkey share

Tropical Island Serves As Prom Paradise

Couples spent an "Evening in Paradise" at this year's junior-senior prom on May 8. Palm trees were placed throughout Assumption Hall along with a 'bird of paradise fountain' that carried the tropical island paradise theme. Duchess performed various fast and slow songs and refreshments included punch, cookies, and sandwiches. The dance lasted from 8 to 11 o'clock p.m.

Above left: Joe Borja announces his prom date, Charlene Morrison. Top: Karen Ivers, Brian Hamilton, Joyce Zoladz, and Jeff Moore await their turns at the microphone. Above: Mark Warfel and Renee Burgess

Destination- FLORIDA!

Months of morning practice, sweat, and hard work finally paid off on the morning of February 23, 1982, as the River Forest Golden Ingot Marching Band, auxillary corps, and color guard stepped on the two Greyhound buses headed for Florida. The band performed in Disney World's 'Tencennial' celebration parade on February 25.

And Once We Got There...

Along with performing at Disney World, the band's Florida tour included stops at Wei-N-Wild, a water-fun park, Kennedy Space Center, Jetty Park Beach, the Florida Festival shopping mall, and Sea World.

8th Grade Honor Day

The 8th Grade Honor Day was held on May 26th in the high school gymnasium. There were two Valedictorians, John Uribe and Doug Thormann. Angelica Rosado was chosen as the Salutatorian of the 8th grade class. Besides being chosen as Valedictorian, Doug Thormann received the science, the social studies, the mathematics, and the English award. Above: The 8th grade boys patiently await the presentation of the awards. Far left: The 8th grade girls stand during the National Anthem. The Hound Of The Baskervilles

The Hound of the Baskervilles is a story of horror and suspense. Sir Henry, heir to the vast Baskerville fortune, soon learns of a family curse. A huge hound prowling the English moor becomes a living horror to all who live in the Baskerville Hall. Only Sherlock Holmes can stop the hound from killing again. As the play continues, suspicion falls on everyone from butterfly collectors to sinister servants.

Although the production seemed plagued by setbacks, the students and their director, Mr. Hontz, kept their shoulders to the wheel. At 8 o'clock in the evening on March 18, the houselights dimmed and the stagelights

came up on a finished production complete with the fearsome howls of the "Hound".

A Note Of Thanks

The production of any yearbook that can function as a memory book, history book and reference book requires the combined efforts of many. My special thanks are extended to those businesses that helped to support us, to the faculty for their cooperation with picture taking and record keeping, to Mrs. Grusak for her help with our book keeping, to Mr. Hontz for bringing refreshments to a starved staff on late night production deadlines, to Mr. Marszalek for a helping hand when we needed one, and finally to the members of the yearbook class whose extra effort and hardwork produced an annual of which River Forest Junior-Senior High School may be proud.

*Sincerely,
Mr. Muir*

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has also become an important employer of women, with 5.5 million women employed in the public sector in 1995, compared with 4.5 million in 1980.

There are a number of reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of women in its workforce. In 1995, 80% of the public sector workforce were women, compared with 65% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

Another reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are part-time or flexible. In 1995, 30% of the public sector workforce were employed on part-time or flexible contracts, compared with 15% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

A third reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are well paid. In 1995, the average salary of a public sector employee was £18,000, compared with £15,000 in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

There are a number of other reasons why the public sector has become an important employer of women. One reason is that the public sector has a high proportion of jobs that are secure. In 1995, 80% of the public sector workforce were employed on permanent contracts, compared with 65% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

Another reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are well located. In 1995, 30% of the public sector workforce were employed in London, compared with 15% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.

A third reason why the public sector has become an important employer of women is that it has a high proportion of jobs that are well matched to women's skills. In 1995, 80% of the public sector workforce were employed in jobs that required a degree or higher qualification, compared with 65% in 1980. This is due to a number of factors, including the fact that the public sector has a high proportion of jobs that are traditionally held by women, such as teaching, nursing, and social work.
